Dear families,

This is a follow-up to the memo I sent yesterday regarding a police investigation involving one of our staff members. I want to reiterate our deep concern and assure you we are working with police in this investigation.

The individual in question has been removed from the premises and will not be returning during the course of this investigation.

For those parents coming to pick up their children today, you will notice an increased media presence and reporters may approach you.

I have included our full statement to media below which will be issued shortly.

Again please contact me directly at rebeccab@mcrc.on.ca or call me at 905-876-1244 x 211 should you have any questions or concerns.

The safety of your children is our priority and we will continue to ensure a safe, quality enrolment where your children can play, learn and thrive.

Sincerely,

Rebecca

Media Statement

"The Milton Community Resource Centre has been informed by Peel Regional Police and the Children's Aid Society, that an employee from our Bronte Street School was arrested and charged with an offense pertaining to child pornography.

News of the investigation is deeply troubling to us and members of our greater community. The centre assures everyone, especially parents, that we are cooperating with police to assist them in their investigation.

The staff person in question has been removed from the premises and will not be returning throughout the duration of the investigation.

The security of children we care for is our number one priority. All staff undergo police background checks and vulnerable sector screening.

The centre takes this situation very seriously. To keep parents and our community informed, please feel free to contact me directly by email at rebeccab@mcrc.on.ca."
