Dear Parents,

We understand your concern during this difficult time and we want to be able to provide you with as much support as possible. We have connected with our community partners and have made an arrangement with ROCK – Reach Out Centre for Kids and Radius, Child and Youth Services to provide a Parent Support Night with their clinical staff to help you process the shock of this situation. This is an opportunity for you to work through your thoughts and feelings and gain insight on how best to support yourself and your family. At this session you will also be provided with additional supports and resources for you and your family to access if needed.

Please note, that this is not an information night related to the ongoing police criminal investigation.

We truly hope that you find this session helpful and supportive during this time. The session will be held at:

Milton Christian School

45 Bruce Street, Milton

Tuesday May 10<sup>th</sup>

Child minding will be available on site if needed

Please rsvp by Monday May 9<sup>th</sup> at 905 876-1244 ext. 220
