### The Garden Song

**Chorus:**

Inch by inch, row by row

Gonna make this garden grow

All it takes is a rake and a hoe

And a piece of fertile ground

Inch by inch, row by row

Someone bless these seeds I sow

Someone warm them from below

Til the rain comes tumblin' down.

Pullin' weeds, pickin' stones

We are made of dreams and bones

I feel the need to grow my own

For the time is near at hand

Grain for grain, sun and rain

Find my way through nature's chain

As I tune my body and my brain

To the music of the land

**(Chorus)**

Now make your rows straight and long

Temper them with prayer and song

Mother earth will make you strong

If you give her love and care

See that crow watchin' hungrily

From his perch on yonder tree

In my garden I'm as free

As that feathered thief up there

**(Chorus)**
