

COVID-19 Update

March 12, 2020

We are aware of the breaking news that the Ontario Government is going to extend school March break for 2 weeks.

We have not yet received any official notice from the Board of Education or our Consolidated System Management System (CMSM). We will provide specific details of this provincial decision once they become available. Until such time, we are not able to assess what this means for our programs or the related staff.

Thank you for your patience.

Sincerely,

Rebecca Barrows-Vrankulj, B.A., M.Ed.

Executive Director

Milton Community Resource Centre
