

Subject: Thank you for your generous donation!

Hi (First Name)

Thank you so much for donating to support me in the [All 4 Her 5k](#). Your donation has helped me make progress towards my personal fundraising goal, and 100% of your dollars will go towards [MCRC's She Can! Programs](#). She Can! programs are girl centered, designed to empower and uplift girls in our community. These programs foster strength, leadership and resilience through hands on activities and thought-provoking discussions.

These free and accessible programs provide all girls the opportunity to participate regardless of their family's financial situation. Therefore, fundraising and donations are critical to how many girls She Can! can reach.

Your donation will make a difference for girls in our community – Thank you!

Sincerely,

(Your Name)
