

January 21, 2022

Dear Parents and Guardians,

We are pleased to share with you that Halton Region Public Health is expanding COVID-19 paediatric clinic capacity and will be offering several **walk-in appointment** options at our COVID-19 vaccine clinics.

**For 5-11 year olds:**

Beginning January 25, **First dose walk-in appointments** are available to children 5 to 11 years of age at all Halton Region Paediatric Clinics. Children must be five years of age at the time of their appointment.

Halton Region's paediatric clinics are:

- Burlington Paediatric Clinic: 3450 Harvester Road, Unit 2
- Milton Paediatric Clinic: 180 Market Drive
- Oakville Paediatric Clinic: 240 Wyecroft Road, Suite 101

Walk-ins are also available for 5-11 year olds at our Community Clinics on January 29<sup>th</sup>. Please visit the [COVID-19 Vaccination Clinics](#) for Community Clinic locations.

**For 12-17 year olds:**

**First and second dose walk-in appointments** are available at all Halton Region Community Clinics that offer appointments for youth 12-17 years of age. Youth must be 12 years of age at the time of their appointment.

Please visit the [COVID-19 Vaccination Clinics](#) webpage for Community Clinic dates and times.
