

In Person Programs

- All in person programs are drop in, first come first serve, no registration required.
- Participants are required to self-screen before coming to program. If you or your children do not pass the screen, do not come to program and follow the guidelines on the screen.
<https://covid-19.ontario.ca/school-screening/>
- We strongly encourage adults and children in grade one and above to wear masks at this time.
- Educators will be masked until further notice.
- All participants are required to wash hands upon entering the program rooms.
- All participants are required to sign in upon entering the program.
- COVID cleaning protocols are in place and all equipment is disinfected daily.
- High touch surfaces, carpets, etc are cleaned at least daily.
- Frequent handwashing during the program is encourage, and required before and after using sensory and creative materials, or eating.
- Food is permitted, and to be eaten at the tables.

Program Guidelines for Outdoor Programs

- Adults and children in grade one and above are highly encouraged to wear masks in outdoor programs when physical distancing measures are not possible. When 6 ft distancing can be attained masks are not required.
- Educators will be masked when distancing is not possible.
- All materials used in programs will be disinfected after use by the EarlyOn staff.
- Washroom facilities may not be available at the park.

Virtual Programs

- All virtual programs are registered weekly in order to share the zoom link and limit the number of participants.
- Be sure your screen name matches your registered name so Educators can let you in to the program.
