

To my Friends and Family,

Join me on Saturday, November 4, 2023 at [MCRC's 9th Annual Marketplace](#), where I will be a vendor.

This Marketplace is the perfect chance to get started on holiday shopping, with over 30 local vendors, selling unique, handcrafted items.

Admission to the Marketplace is just \$5 and all proceeds go directly to supporting MCRC's [She Can!](#) programs – free and accessible programs that are girl centered and designed to empower and uplift girls in our community.

Follow the [event on Facebook](#) to see what other vendors will be attending. Looking forward to seeing you there!

Sincerely,
