

FAQ's Families

Can I use the infant food bank? I'm in need of diapers and don't have much money.

Our mission is to support Milton families in need who have young children, to assist with supplying their monthly need for diapers, formula, and baby food. In order to ensure that no one takes advantage of our services, potential clients must do a formal intake with the Salvation Army Family Services. Please call 905-875-1022 to set up an appointment. When families come to the Infant Food Bank for the first time, there will be a one-page form to fill out before receiving items.

Once the intake is complete, you are eligible to receive a coupon from the Salvation Army once a month to bring to Infant Food Bank, where we will be happy to assist you.
