# FILL A CRIB

## CAMPAIGN

## COMMUNITY IMPACT

### THANK YOU!

To our valued Community Partners and Donors,  
Thank you for being part of MCRC's 9<sup>th</sup> Annual Fill A Crib Campaign.  
Your continued support and generosity are deeply appreciated and play an essential role in strengthening our community. Your support and trust in our work inspire us everyday, and we are truly thankful to have you standing with us supporting families in our community.

### YOUR IMPACT

Because of your generosity and community support, our Infant Food Bank campaign has made a powerful difference. Together, we provided essential infant supplies to 328 babies, helping families meet their most urgent needs during critical early stages of life.

Your contributions ensured that vulnerable infants received nourishment, care items and vital resources, offering parents relief, stability and hope. This impact would not have been possible without your compassion and commitment to supporting families in our community.
